

# FKK Medical Action Plan

## Athletic Trainer On Field

## Athletic Trainer Not On Field

1 The Athletic Trainer (AT) on the field acts as a **First Responder** in a medical emergency and will assess all injuries, medical emergencies, and non-medical emergencies

Coaches and Parents will act as **First Responders** during a medical emergency and will need to make the appropriate FKK Medical Team contact if an injury occurs

### Medical Emergency

- 2
- AT will properly assess and triage.
  - Activation of EMS if necessary: Call 911
  - Contacts parents immediately

### Medical Emergency

- Activation of EMS if necessary: Dial 911
- If unsure of the medical situation, call your FKK Medical Team for direction

### Non-Medical Emergency

- 3
- AT will assess the injury and make the appropriate FKK Medical Team recommendation and provide the appropriate contacts

### Non-Medical Emergency

- Coaches or Parent will make the appropriate FKK Medical Team Contact
