Failure to pay:

Failure to pay your fees within thirty (30) days of fee payment due date will invoke the **“no pay, no play”** Club policy and the player's ID card will be held by the FKK Club until the past due payment is received. Players will be ineligible to participate in team practices, games and tournaments until the payment is received. FKK realizes that emergencies may result in a financial strain on the family and in order to keep the player from being ineligible the Club will work with a family if they contact the office in a timely manner. **(The 30-day rule applies to all payments except the team fees. All team fees must be paid by date due).**

Team Movement:

If the club permanently moves a player to another team (primary rostered), the fees will be prorated accordingly with either an invoice or adjustment. The same will apply to team fees. The move has to be approved in writing by the program coordinator. A dual rostered player is responsible for any team fees that are affiliated with an attended event on the secondary rostered team, in addition to their primary rostered team fees.

Volunteer Buy Out:

Each family is required to volunteer 5 hours each year. If you would rather not volunteer or don't have the time this gives you the option of buying out of volunteering. The cost of the buyout is \$50.00. All volunteer hours will be logged through DIBS.

REFUNDS: ALL FEES ARE NON REFUNDABLE

Club fees: There will be no refunds of club fees. You may choose the registration insurance when you check out at registration. This will cover your registration fee in case of injury. Only club fees are covered by registration insurance.

Team fees: Team fees are fluid depending on the tournaments planned, what the team is accepted to and the variable costs of travel. Every player is responsible for team fees regardless of tournament attendance. **There will be no refund of team fees.**

Sibling Discount:

If you have more than one child in the club you will receive a 10% discount for the child playing in the least expensive program. The sibling discount will be applied to one child only and taken off of the final payment. To request a sibling discount please fill out the form on the website in the member area under parents.

Financial Aid:

If an alternate payment plan or financial assistance is needed, completion of the Financial Assistance Application and an IRS form 4506T form is required. A minimum nonrefundable deposit of **\$200.00** must be turned in with your application. All paperwork for the club must be submitted at the same time. If award is accepted the money will be credited to the club fees. Financial assistance paperwork must be turned in within 7 days of registering with the club. A decision will be sent in writing by email from the financial aid/scholarship committee. **Your account will not be credited until the form is signed and returned. You will have required volunteer hours.** **NOTE:** If you have multiple players in the club and need assistance with payments, or are requesting an extension of payments, a request can be made for financial assistance. Completion of the financial assistance application must be completed at the time of registration and submitted for review. Please contact the Club Administrator at koettl@floridakrazekrush.com, if you have any question. All forms may be found on our website in the member area under parents.
